New in 2010: Special Trainings

To participate at the special trainings it is required to pass the product training (3 days) before.

Special Training Electrics: (2 Days)	BOOKED UP	BOOKED UP
	13.04.-14.04.10	21.09.-22.09.10

Contents: NovaMaster (expert knowledge), frequency inverter (expert knowledge), special options, FixRadio, tandem use, synchronisation. Required: passed product training.

Special Training Mechanics and Modernisation: (2 Days)	27.04.-28.04.10	15.09.-16.09.10
---	------------------------	------------------------

Contents: Ropes, brakes, FEM/ISO hoist classification, end carriages, excerpts of general overhaul, heavy load applications, example of modernisation, frequent applications (retrofitting NovaMaster, change of reeving, enhancement / reduction of load). Required: passed product training.

Special Training Light Crane Systems: (1 Day)	29.04.10	14.09.10
--	-----------------	-----------------

Contents: Light crane systems LIGHTster and ProfileMaster (scope of delivery, design und function). Required: passed product training.

The trainings will start at 9 a.m. and end at 5 p.m. The training sessions will take place at the SWF Training Centre in 68307 Mannheim, Boehringer Str. 4. Lunchtime snack is included.

It is only possible for 8 people to participate per training session. Please give alternative dates when enrolling. If too few participants enrol for one date we reserve the right to cancel or change the time of that session.

Requirements:

The participants should have completed electro- technical job training as well as at least two years of job experience. They should also have already been with your company for two years in order to be familiar with the necessary industry knowledge. Knowledge of German and/or English is a precondition. To participate at the special trainings it is required to pass the product training (3 days) before.

Registration:

Registrations are binding. We charge a training fee of 250,00 Euro per participant – except for SWF Krantechnik partner companies.

Please note: Resulting costs for travelling, board and lodging are to be paid for separately on your own.

The training can only be booked as a complete package. Participation on single days is not possible.

Cancellations up to two weeks in advance are not charged. After that we charge a fee of 200,00 Euro per cancelled participant or non-participants.

Accommodation / Journey:

Hotel Deutsches Haus in Lampertheim, about 15 min. by car from SWF. Rooms are available for Euro 48,00. Optionally your staff can stay at the more exclusive **Ramada Hotel**, also in Lampertheim, for Euro 77,00 per night. Breakfast and accommodation are included in the prices given above.

Travelling has to be organised on your own.
